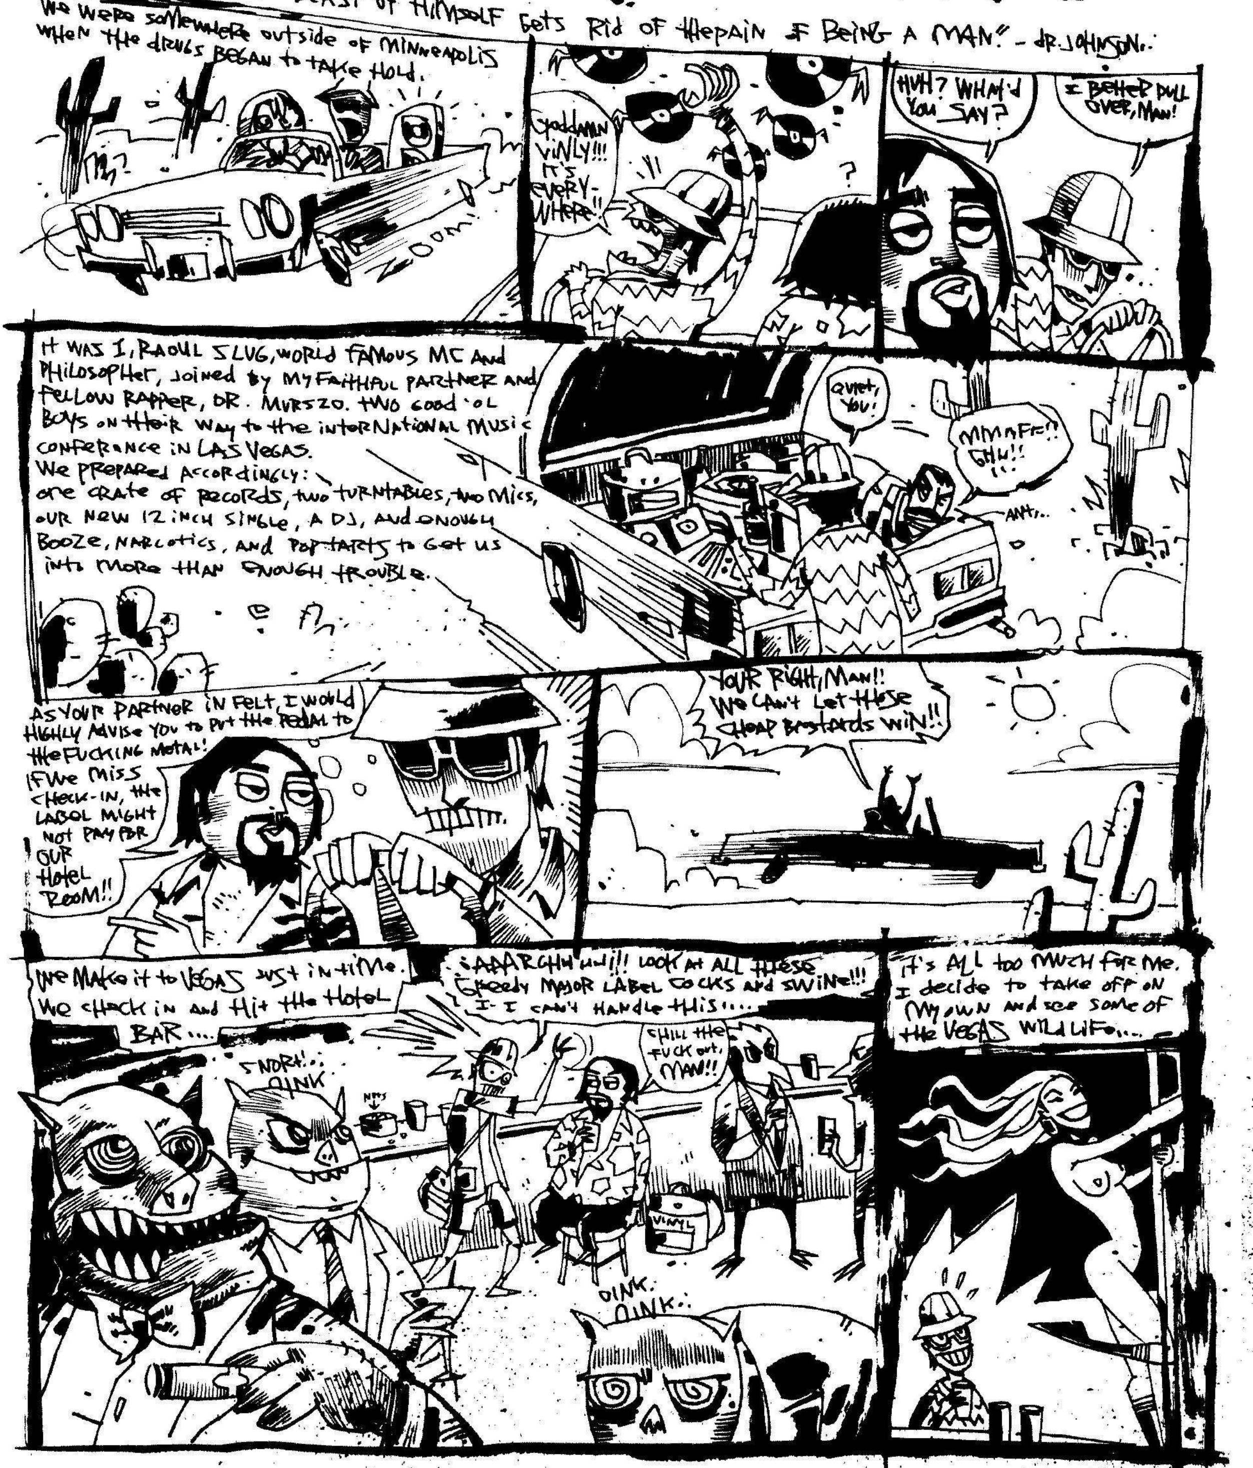
I WAKE UP EVERY MORNING, MY MISSION: FULFILL THE DREAM!
I BREAK MYSELF APART, THE DECISION: TO KILL THE SCREAM!

FEAR AND LOATHING IN LIFE VEGAS

by JAMES DREADMAN

"He who makes a beast of himself gets rid of the pain of being a man!" - Dr. Johnson.



We were somewhere outside of Minneapolis when the drugs began to take hold.
ZOOM!
Goddamn vinly!!! It's everywhere!!
?
HUH? WHAT'd you say?
I better pull over, man!
It was I, Raoul Slug, world famous MC and philosopher, joined by my faithful partner and fellow rapper, Dr. Murszo. Two good 'ol boys on their way to the international music conference in Las Vegas.
We prepared accordingly: one crate of records, two turntables, two mics, our new 12 inch single, a DJ, and enough booze, narcotics, and pop tarts to get us into more than enough trouble.
Quiet, you!
MMMF!! GHU!!
ANT!..
As your partner in felt, I would highly advise you to put the pedal to the fucking metal! If we miss check-in, the label might not pay for our hotel room!!
Your right, man!! We can't let these cheap bastards win!!
